Peconic Landing Awarded Five-Year Accreditation by CARF International

GREENPORT, N.Y., March 26, 2019 — Peconic Landing, the innovative Continuing Care Community is proud to announce its five-year accreditation by CARF, the international accrediting body. This is the third time Peconic Landing has been awarded a five-year accreditation and is the only CARF accredited CCRC (Continuing Care Retirement Community) on Long Island.

In addition to earning this distinction as a CCRC, The Harbors, memory support and assisted living at Peconic Landing were accredited for meeting or exceeding memory care and assisted living standards. The Shores, a full-service skilled nursing center at Peconic Landing was also awarded accreditation for Person-Centered care for the third time.

An organization receiving a CARF accreditation has put itself through a rigorous peer review process and has demonstrated to a team of surveyors during an on-site visit that its programs and services are of the highest quality.

“At Peconic Landing, we strive for the very best and it’s truly an honor to be recognized for our hard work and dedication to the community by CARF with this accreditation,” said Pat Lutzky, Vice President of Resident Services at Peconic Landing.

CARF is a nonprofit accreditor of health and human services. Its mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process that centers on enhancing the lives of the persons served. Founded in 1966 as the Commission on Accreditation of Rehabilitation Facilities, and now known as CARF, the accrediting body establishes consumer-focused standards to help organizations measure and improve the quality of their programs and services.

“We are very proud to consistently exceed the standards for continuing care retirement communities,” said President & CEO, Robert J. Syron. “This accreditation is a testament to the excellence that our community exemplifies each day. We are fortunate that we have talented and committed staff serving the Peconic Landing Members as well as the greater community.”

For more information about the accreditation process, please visit the CARF website at www.carf.org.

Peconic Landing is a nationally recognized, equity-based Continuing Care Retirement Community overlooking the breathtaking Long Island Sound. Located on the North Fork of Long Island, our 144-acre campus is bordered by grapevines and golfing greens, situated on a half-mile of private Sound Beach. The organization works on a mission of being the retirement community of choice for individuals age 62 and better by encouraging our members to enjoy a vibrant lifestyle and presenting ample opportunity for members to pursue their interests and passions to the fullest.
