Paul V. May Elected Chair of Peconic Landing's Board of Trustees

GREENPORT, N.Y., November 20, 2020 – Peconic Landing is proud to announce that Paul V. May has been elected as Chair of Peconic Landing's Board of Trustees.

Mr. May is an accomplished financial services attorney with national and international expertise in compliance risk assessment, fraud detection and prevention, and regulatory compliance, among other specialties. He currently serves as Securities and Business Advisory Counsel for the financial services law firm Pastore & Dailey, LLC.

He was appointed to Peconic Landing's Board of Trustees in 2018 and currently serves as a valued member of the nonprofit's Board Finance Committee. The 14-member Board is responsible for ensuring the fiduciary integrity of the organization, while driving optimal performance of services delivered to the membership of the community. The Board approves all operating budgets, annual operating plans, and strategic planning initiatives. During his tenure on the Board, Mr. May has successfully overseen financial efforts vital in maintaining the fiscal stability and integrity of the community.

"Paul has been a longtime ally of Peconic Landing and has been an exceptionally valuable board member for the past two years," said Robert J. Syron, President and CEO of Peconic Landing. "He is a tremendous asset to our organization, and we are honored to have him serve as Chair of our Board."

Mr. May has a lasting history with Peconic Landing, helping to incorporate Peconic Landing at Southold Inc. more than 20 years ago. Paul May's father, John M. May served as Chair of the Peconic Landing Board for 12 years, until his passing in 2015.

"I am honored and excited to serve as Board Chair of Peconic Landing," said Mr. May. "My involvement dates back to the beginning of Peconic Landing, and I have watched us grow from just a general idea to a 144-acre home to 300 members, a large and dedicated team, and very creative and skilled management. The Board and management represent the very best and most impressive experts on the East End and are dedicated to the maintenance and growth of Peconic Landing. This is a challenge and opportunity to apply my own background of over 60 years on the North Fork and my personal and career experiences to the continued growth and success of Peconic

Landing.”

Mr. May is a graduate of Brooklyn Law School and the College of the Holy Cross, where he met his wife, Peggy May, with whom he shares three children and six grandchildren. He lives in Southold and enjoys sailing, skiing, and lacrosse. He is a founding board member of the Holy Cross Lawyers Association and recently completed his term as Board Chair of New Yorkers Against Gun Violence.
